

Pray for peace

[LEAD]

Wars and rumors of wars
 Friendly nations closing their doors
 Many may ask when will troubles cease
 We must pray for peace

We've gone through many days of sorrow
 Now we must press towards a brighter tomorrow
 We must work towards wars decline and decrease
 People, pray for peace

Where is the love for one another
 Stop all the killing, you're my sister, you're my brother
 Don't let hatred for man increase
 We must pray for peace

Pray start now today to get results
 This is the only way
 Pray, we must pray for peace

[CHOIR]

★ Pray, pray, pray, pray for peace

Grab the hand, grab the hand, grab the hand
 Of your neighbor and your fellow man
 Don't turn away, take a stand, and pray for peace

(Spread love) Love around the world
 (This includes man, woman, boy and girl)
 (You'll see a change) Change, a wonderful change
 (Begin to) Pray for peace---for peace

★ Pray, pray, pray, pray for peace
 Ooh...
 Pray for peace *repeat

If my people, who are called by my name
 Shall humble themselves, and pray
 And seek my face, turn from their wicked ways
 Then will I hear from heaven, I will forgive their sin and heal

Let us proclaim the love of Jesus

How can we reach the people
 How can we get the message out
 How can we share this gospel
 How can we spread it all about
 We've got to be a witness
 Be an effective witness

Let Him fix it

He can, He will
Fight your battles
Hold your peace and be still
Leave it alone on His own
Place it in His hands
Let Him fix it

Let Jesus fix it for you
For He knows just what to do
You've prayed, You've prayed
And asked Him to have His way
Place it in His hands
Let Him fix it

No matter what the problem is *repeat

That extra push to help you along the way
That encouragement that speaks to your mind saying
Let me be your everything

I'll be that friend, when all others walk away
Going through your storms
I'll be that light shining through your darkest days
I'll never leave you
Neither will I ever forsake you
Just let me prove to be your everything
Jesus is saying

I want to be your everything, everything, everything *repeat
